Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of April 16, 2018 for:

All reports and data related to train traffic along the Burrard Inlet Railway Line that runs from the port to the False Creek Flats, including raw data and analysis from any and all monitoring for frequency, speed, stoppages, road closures, noise levels, pollution, etc.

Date Range: January 1, 2017 to April 1, 2018

All responsive records are attached.

The records enclosed starts from March 7, 2017 rather than January 1, 2017 because the train monitoring device was installed March 2017 and the City does not have any data preceding this time.

Please note: There are five existing crossings along the Burrard Inlet Line in the Strathcona neighborhood. The enclosed data refers solely to Venables Street because there is only one train detection system installed which is located at this crossing.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2018-222); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

Cobi Falconer, FOI Case Manager, for
