Dear s.22(1)

RE: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of May 15, 2018 under the *Freedom of Information and Protection of Privacy Act* for:

The following records in regards to the analysis from the Grandview-Woodland and Open House Boards,
<http://vancouver.ca/files/cov/grandview-woodland-open-house-boards-180129.pdf>,
from July 1, 2016 to May 15, 2018:

- 1. Records showing the analysis that the rezoning would result in significant loss of existing affordable market rental housing, with limited benefit in terms of additional rental units; and**
- 2. Emails, reports and other records related to not proceeding with the City initiated rezoning for the 4-storey secured rental zone.**

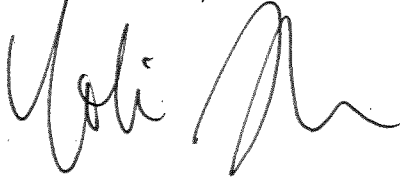

The Planning, Urban Design & Sustainability Department has confirmed that the requested information is provided in the following Council report which went to Council on June 5, 2018, entitled: *Increasing Housing Choice in Grandview-Woodland – Proposed Amendments to the Zoning and Development By-law*. <http://council.vancouver.ca/20180605/documents/p4.pdf>

The link to the Agenda is below. A link to the minutes from the meeting is available on the Agenda page.
