RE: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of May 23, 2018 under the *Freedom of Information and Protection of Privacy Act* for:

All records relating to an oil and fluid spill on February 4, 2018 at or near the intersection of Grandview Highway and Boundary Road, including records of any crews being dispatched.

We have completed the search for responsive records for this request and no responsive records have been located. Departments searched were Environmental Planning, Street Operations, and Sanitation Operations.

As we noted in our clarification letter of May 24, 2018, Fire Incident reports are obtained outside of the FOI process, so the information you are seeking may be found there. We also suggest you try the City of Burnaby, since the location cited in your request may possibly be in Burnaby.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2018-286); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,
