Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of June 1, 2018 for:

**All emails between and among Vancouver Corporate Communications and Vancouver Engineering involved in the drafting and creation of the press release "Cambie Bridge walking and cycling upgrades begin this weekend", and media plan for the construction of the Cambie Bridge upgrades, between January 17, 2018 to June 1, 2018.**

All responsive records are attached. Some information in the records has been severed, (blacked out), under s.13(1) of the Act. You can read or download this section here: [http://www.bclaws.ca/EPLibraries/bclaws\\_new/document/ID/freeside/96165\\_00](http://www.bclaws.ca/EPLibraries/bclaws_new/document/ID/freeside/96165_00)

Please note that the Communications department has confirmed that there was no media plan, and that the June 1, 2018 news release was the planned content. The news release can be found online here: <https://vancouver.ca/news-calendar/cambie-bridge-walking-and-cycling-upgrades-begin-this-weekend.aspx>.

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, [info@oipc.bc.ca](mailto:info@oipc.bc.ca) or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number assigned to your request (#04-1000-20-2018-304); 2) a copy of this letter; 3) a copy of your original request for information sent to the City of Vancouver; and 4) detailed reasons or grounds on which you are seeking the review.

Please do not hesitate to contact the Freedom of Information Office at [foi@vancouver.ca](mailto:foi@vancouver.ca) if you have any questions.
