Dear s.22(1)

**RE: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of June 6, 2018 under the *Freedom of Information and Protection of Privacy Act* for:

**The list of residences and businesses targeted within at least two blocks of the alignment (the Broadway Corridor Extension) which were informed of the open house events in March, 2018, referred to in Council report: Millennium Line Broadway Extension of SkyTrain - Municipal Requirements, in Appendix C, page 2 of 16. Date range: January 1, 2018 to March 30, 2018.**

We have completed the search for responsive records for this request and no responsive records have been located. The City of Vancouver's Transportation Division confirmed that there is no list of addresses that was used for mailed information. A list of Forward Sortation Areas (FSA) was created by Translink using the Canada Post website, allowing for a mailing campaign to be carried out by Canada Post. Please note this was not addressed mail; any address that does not receive junk mail, or takes part in the red dot campaign, would not receive it.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, [info@oipc.bc.ca](mailto:info@oipc.bc.ca) or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2018-321); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

**Barbara J. Van Fraassen, BA**
