I am responding to your request of June 20, 2018 for:

Two petitions provided to Mayor and Council from #savechinatownyvr in advance of the last two Council meetings (June 5, 2018 and May 15, 2018 Council meetings) that addressed the issue of the Rezoning Proposal for Chinatown.

All responsive records are attached. Some information in the records has been severed, (blacked out), under s.22(1) of the Act. You can read or download this section here: http://www.bclaws.ca/EPLibraries/bclaws_new/document/ID/freeside/96165_00

Subject: FW: Petition submission - Chinatown zoning policies to public hearing

Hi Kathy,

Email 1 of 4.

As you can see, the petition is to ask Mayor and Council to refer the item to public hearing. So I am not sure if it will be considered part of the records for the public hearing itself.

I'll leave it to you and the public hearing meeting coordinator to determine if this petition should be part of the record for the June 28 public hearing.

Thanks,

Helen

To Mayor and Council:

Thank you for voting to refer the new Chinatown zoning policies to public hearing. Although we realized you have voted on the item, as a matter of public record and in an effort to recognize the participation of everyone in the petition, we want to submit the latest and final petition signatures that were submitted prior to your council decision.

The total number of signatures is 1113.

Thank you.

To Mayor and Council:

We would like to submit the attached petition from 1054 signees to urge you to refer the new Chinatown zoning policies to public hearing today. This petition is in regards to Item 1 in the Policy Reports section of the Regular Council Meeting on June 5, 2018 titled: **Amendments to the Chinatown HA-1 and HA-1A Districts Schedule, Design Guidelines and Policies.**

There are a total of 1054 signees for the petition. Signees are residents of Chinatown or Vancouver, local business owners and employees, local non-profit operators and employees, and tourists who were visiting Chinatown. The petition is attached.

Each signature contains a first and last name, email, postal code/zip code, and a unique date and time stamp of the signature in UTC date and time. For digital entries that were originally paper signatures, original copies of the paper petition are also included as an attachment.

Petition is as follows:

To City of Vancouver Mayor and Council:

We urge you to refer the new Chinatown zoning policies to public hearing as soon as possible. Chinatown is a special historic cultural neighbourhood in Vancouver that needs to be protected from intense development pressures and real estate speculation.

The current zoning policies implemented in the 2011 Historic Area Height Review (HAHR) do not have the proper zoning protections typical of other neighbourhoods (e.g. density limits and site width limits). It leaves the door wide open for real estate developers to continue to propose and develop out-of-context buildings like Beedie's 105 Keefer and Westbank's 188 Keefer, and for speculators to assemble land, flip, and market properties at unachievable densities and therefore inflate land values

in one of the lowest income neighbourhoods in Vancouver. Further, if the new protection policies continue to be delayed or not considered altogether, Chinatown will continue to degrade from the continued real estate development pressures, making it more challenging, if not impossible, to move forward with a UNESCO bid to designate Chinatown as a World Heritage Site.

You can start to put a stop to this now by referring the new Chinatown zoning policies to public hearing.

The process for the new zoning policies took over 3.5 years with countless hours of community consultation over multiple engagement formats and languages. Stakeholder groups in Chinatown, such as VCBIA (Vancouver Chinatown Business Improvement Association) and the Vancouver Chinatown Merchants Association, even had their own special consultations with City staff. It is time to bring these zoning policies to public hearing.

Thank you.

To Mayor and Council:

We would like to submit the attached petition from 1054 signees to urge you to refer the new Chinatown zoning policies to public hearing today. This petition is in regards to Item 1 in the Policy Reports section of the Regular Council Meeting on June 5, 2018 titled: **Amendments to the Chinatown HA-1 and HA-1A Districts Schedule, Design Guidelines and Policies.**

There are a total of 1054 signees for the petition. Signees are residents of Chinatown or Vancouver, local business owners and employees, local non-profit operators and employees, and tourists who were visiting Chinatown. The petition is attached.

Each signature contains a first and last name, email, postal code/zip code, and a unique date and time stamp of the signature in UTC date and time. For digital entries that were originally paper signatures, original copies of the paper petition are also included as an attachment.

Petition is as follows:

To City of Vancouver Mayor and Council:

We urge you to refer the new Chinatown zoning policies to public hearing as soon as possible. Chinatown is a special historic cultural neighbourhood in Vancouver that needs to be protected from intense development pressures and real estate speculation.

The current zoning policies implemented in the 2011 Historic Area Height Review (HAHR) do not have the proper zoning protections typical of other neighbourhoods (e.g. density limits and site width limits). It leaves the door wide open for real estate developers to continue to propose and develop out-of-context buildings like Beedie's 105 Keefer and Westbank's 188 Keefer, and for speculators to assemble land, flip, and market properties at unachievable densities and therefore inflate land values in one of the lowest income neighbourhoods in Vancouver. Further, if the new protection policies continue to be delayed or not considered altogether, Chinatown will continue to degrade from the continued real estate development pressures, making it more challenging, if not impossible, to move forward with a UNESCO bid to designate Chinatown as a World Heritage Site.

You can start to put a stop to this now by referring the new Chinatown zoning policies to public hearing.

The process for the new zoning policies took over 3.5 years with countless hours of community consultation over multiple engagement formats and languages. Stakeholder groups in Chinatown, such as VCBIA (Vancouver Chinatown Business Improvement Association) and the Vancouver Chinatown Merchants Association, even had their own special consultations with City staff. It is time to bring these zoning policies to public hearing.

Thank you.

Subject: Petition submission - Chinatown zoning policies to public hearing

To Mayor and Council:

We would like to submit the attached petition from 1054 signees to urge you to refer the new Chinatown zoning policies to public hearing today. This petition is in regards to Item 1 in the Policy Reports section of the Regular Council Meeting on June 5, 2018 titled: **Amendments to the Chinatown HA-1 and HA-1A Districts Schedule, Design Guidelines and Policies.**

There are a total of 1054 signees for the petition. Signees are residents of Chinatown or Vancouver, local business owners and employees, local non-profit operators and employees, and tourists who were visiting Chinatown. The petition is attached.

Each signature contains a first and last name, email, postal code/zip code, and a unique date and time stamp of the signature in UTC date and time. For digital entries that were originally paper signatures, original copies of the paper petition are also included as an attachment.

Petition is as follows:

To City of Vancouver Mayor and Council:

We urge you to refer the new Chinatown zoning policies to public hearing as soon as possible. Chinatown is a special historic cultural neighbourhood in Vancouver that needs to be protected from intense development pressures and real estate speculation.

The current zoning policies implemented in the 2011 Historic Area Height Review (HAHR) do not have the proper zoning protections typical of other neighbourhoods (e.g. density limits and site width limits). It leaves the door wide open for real estate developers to continue to propose and develop out-of-context buildings like Beedie's 105 Keefer and Westbank's 188 Keefer, and for speculators to assemble land, flip, and market properties at unachievable densities and therefore inflate land values in one of the lowest income neighbourhoods in Vancouver. Further, if the new protection policies continue to be delayed or not considered altogether, Chinatown will continue to degrade from the continued real estate development pressures, making it more challenging, if not impossible, to move forward with a UNESCO bid to designate Chinatown as a World Heritage Site.

You can start to put a stop to this now by referring the new Chinatown zoning policies to public hearing.

The process for the new zoning policies took over 3.5 years with countless hours of community consultation over multiple engagement formats and languages. Stakeholder groups in Chinatown, such as VCBIA (Vancouver Chinatown Business Improvement Association) and the Vancouver Chinatown Merchants Association, even had their own special consultations with City staff. It is time to bring these zoning policies to public hearing.

Thank you.

To Mayor and Council:

We would like to submit the attached petition from 1054 signees to urge you to refer the new Chinatown zoning policies to public hearing today. This petition is in regards to Item 1 in the Policy Reports section of the Regular Council Meeting on June 5, 2018 titled: Amendments to the Chinatown HA-1 and HA-1A Districts Schedule, Design Guidelines and Policies.

There are a total of 1054 signees for the petition. Signees are residents of Chinatown or Vancouver, local business owners and employees, local non-profit operators and employees, and tourists who were visiting Chinatown. The petition is attached.

Each signature contains a first and last name, email, postal code/zip code, and a unique date and time stamp of the signature in UTC date and time. For digital entries that were originally paper signatures, original copies of the paper petition are also included as an attachment.

Petition is as follows:

To City of Vancouver Mayor and Council:

We urge you to refer the new Chinatown zoning policies to public hearing as soon as possible. Chinatown is a special historic cultural neighbourhood in Vancouver that needs to be protected from intense development pressures and real estate speculation.

The current zoning policies implemented in the 2011 Historic Area Height Review (HAHR) do not have the proper zoning protections typical of other neighbourhoods (e.g. density limits and site width limits). It leaves the door wide open for real estate developers to continue to propose and develop out-of-context buildings like Beedie's 105 Keefer and Westbank's 188 Keefer, and for speculators to assemble land, flip, and market properties at unachievable densities and therefore inflate land values in one of the lowest income neighbourhoods in Vancouver. Further, if the new protection policies continue to be delayed or not considered altogether, Chinatown will continue to degrade from the continued real estate development pressures, making it more challenging, if not impossible, to move forward with a UNESCO bid to designate Chinatown as a World Heritage Site.

You can start to put a stop to this now by referring the new Chinatown zoning policies to public hearing.

The process for the new zoning policies took over 3.5 years with countless hours of community consultation over multiple engagement formats and languages. Stakeholder groups in Chinatown, such as VCBIA (Vancouver Chinatown Business Improvement Association) and the Vancouver Chinatown Merchants Association, even had their own special consultations with City staff. It is time to bring these zoning policies to public hearing.

Thank you.
