

File No.: 04-1000-20-2018-371

September 20, 2018

s.22(1)

Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of July 5, 2018 for:

- 1. Neighbourhood response letters from the notification related to original Development Permit application for 2894 East Broadway, and**
- 2. Director of Planning letter to the applicant regarding the said DP application.**

All responsive records are attached. Some information in the records has been severed, (blacked out), under s.22(1) of the Act. You can read or download this section here: http://www.bclaws.ca/EPLibraries/bclaws_new/document/ID/freeside/96165_00

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2018-371); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

Cobi Falconer, FOI Case Manager, to

Barbara J. Van Fraassen, BA
Director, Access to Information & Privacy

Barbara.vanfraassen@vancouver.ca
453 W. 12th Avenue Vancouver BC V5Y 1V4

*If you have any questions, please email us at foi@vancouver.ca and we will respond to you as soon as possible. Or you can call the FOI Case Manager at 604.871.6584.

Dear Mr. Varabioff:

**RE: 2894 East Broadway
Development Permit Number DP-2017-00284 (formerly DE419441)**

Thank you for your letter of February 28, 2017, requesting an extension of the permit time limitation.

As a result of our internal administrative procedures, Development Permit Number DE419441 has been superseded by Development Permit Number DP-2017-00284.

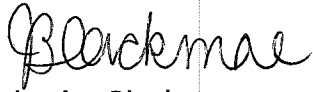

On behalf of the Director of Planning, your request is granted, including the Letter of Operation submitted by BC Pain Society, stamped "RECEIVED" by this department on November 18, 2015, to retain a Medical Marijuana-Related use at this existing commercial building for a further period of time, **expiring on March 10, 2018**, unless extended in writing by the Director of Planning and subject to the following conditions:

- No banners, flags, string lighting or similar means of advertising and display shall be permitted at any time; and
- No translucent or opaque film, artwork, posters, shelving, display cases or similar elements are to be installed on or directly outside or inside of the approved glazing frontages and windows.

Note to Applicant: It is the applicant's responsibility to submit an application for an extension on or before the expiry date, or a new development application will be required.

Please note that this approval, given under the Zoning and Development By-law, does not in any way represent or guarantee compliance with any other by-law of the City of Vancouver.

Yours truly,

A handwritten signature in black ink, appearing to read 'Blackmore', written in a cursive style.

Dear Sir:

RE: 2894 East Broadway
Development Permit No. DE419441 (superseded by Permit No. DP-2016-00675)

Our records indicate that **Development Permit No. DE419441 (now superseded by Permit No. DP-2016-00675)** approved interior alterations and the change of use from Retail Store to Medical Marijuana-Related Use at the above location, for a limited period of time **expiring March 10, 2017**, unless extended in writing by the Director of Planning.

To extend the validity of Development Permit No. DP-2016-00675, it will be necessary for *either you or your representative* to submit a written request to the Director of Planning and pay the prescribed fee of \$602.00.

To make an application in person, please attend the Development and Building Services Centre (City Hall-West Annex at 515 West 10th Avenue, main floor) with your letter and required payment, **ON OR BEFORE MARCH 10, 2017**. You may also mail in your application by sending your letter and cheque, made payable to the City of Vancouver, to the attention of Ms. Jessica Blackmore - Development, Buildings and Licensing Department (City Hall-West Annex, 4th floor, 515 West 10th Avenue, Vancouver BC V5Z 4A8). For your convenience, enclosed is a form letter that may be completed and returned as your written request. To avoid duplicate payment, please ensure only one submission is made.

Our records also indicate that the required Business License has not been issued to date. Please call Licenses at 3-1-1 or 604.873.7000 for further information on obtaining your License, which will be necessary to facilitate further extension of your Development Permit.

Yours truly,

J. Araya
Property Use Inspector

Encl.

March 10, 2016

Dear Sir and/or Madam:

**RE: 2894 E Broadway
Development Permit Number DE419441**

Please refer to my letter of December 5, 2015, regarding the application to provide a change of use from Retail Store to Medical Marijuana-related Use in the existing commercial building at the address noted above.

As a neighbouring property owner, you are advised that this application has been approved and a **Development Permit was issued on March 10, 2016**, subject to the following conditions:

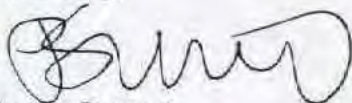

1. No banners, flags, string lighting or similar means of advertising and display shall be permitted at any time;
2. No translucent or opaque film, artwork, posters, shelving, display cases or similar elements are to be installed on or directly outside or inside of the approved glazing frontages and windows; and
3. This development permit is approved for a limited period of time, expiring **March 10, 2017**, unless extended in writing by the Director of Planning.

As a result of a recent BC Supreme Court decision, the Board of Variance does not have jurisdiction to hear third party appeals of decisions made by the Director of Planning.

Please note: this approval only approves the land use and will still require a full business license review.

If you have any questions or require additional details on any of the information contained in this correspondence, please contact me at 604.673.8445.

Yours truly,

Phoebe Stewart

Dear Mr. Chuck Varabioff:

Re: Development Application Number DE419441 - 2894 East Broadway

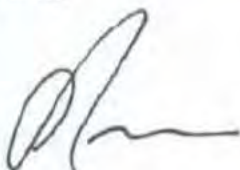

On March 10, 2016 a development permit for a medical marijuana-related use was issued to you for the above address.

A recent inspection found that there is a medical marijuana-related business already operating at this location without the required business licence. To avoid enforcement action, you must submit a business licence application for this location by Friday, July 8, 2016.

The medical marijuana-related business licence application form and instructions are available at vancouver.ca/medical-marijuana-business.

If you have questions about your application, please contact Susana Somers at 604-871-6884.

Sincerely,

Andreea Toma, P.Eng.

Subject: 2894 East Broadway - Development Permit Number DE419441
Attachments: Z&D By-law - Section 4 - DE Permit.pdf

Hello Mr. Varabioff -

This e-mail is to update you regarding the status of Development Permit Number DE419441, permitting a Medical Marijuana-Related Use at 2894 East Broadway.

Our records indicate Building Permit Number BP-2017-02921, to demolish to grade this existing one-storey retail store building at 2894 East Broadway, was issued on July 13, 2017.

As confirmed by Property Use Inspections on July 21, 2017, the site is fenced off and the business is has ceased operations.

Per Section 4 of the Zoning and Development By-law (attached), the demolition of the building at 2894 East Broadway results in the voiding of Development Permit Number DE419441:

- Section 4.5.6 : "Where a building has been destroyed or demolished, any development permit authorizing its use or form of development shall be deemed to be void and expired"

If you have any questions about this information, please respond to this e-mail.

Thank you,

Jessica Blackmore

Mr. Chuck Varabioff
2908 Commercial Drive
Vancouver, BC
V5N 4C9

Dear Mr. Varabioff:

RE: Development Application Number DE419441

Your preliminary application for a medical marijuana-related retail use at 2894 E Broadway has been reviewed and is not in a cluster with one or more applications. Your application is pending, based on compliance with Sections 11.28.2(a)(b)(c)(d) and (e) of the Zoning and Development By-law. You can now move forward in the process.

The next steps for your application are:

1. Request a Special Inspection of the premises.

Bring this letter, the property owner's written consent to inspection, to the Development and Building Services Centre. The Centre is located on the 1st Floor of 515 West 10th Avenue and is open from 8:30 a.m. to 4:30 p.m. Monday/Wednesday/Friday and 8:30 a.m. to 4:00 p.m. Tuesday/Thursday. City staff will log your inspection request and a building inspector will contact you shortly to book the inspection. The purpose of the inspection is to determine if the space complies with City by-laws. The inspector will require full access to the space and all areas associated with entrances and exits to your location.

You must request your special inspection by 4:30pm, Friday, October 9, 2015 for your application to remain active.

2. Submit a complete development permit application.

To make a Development application you need to book an appointment. Please use the attached checklist to prepare your development permit application and submit the application, along with the application fee, to the Development and Building Services Centre at your appointment. For more information about the development permit process, visit vancouver.ca/home-property-development/how-the-development-process-works.aspx

You must submit your development permit application by 4:30 pm, Monday, October 26, 2015 for your application to remain active. The time required to complete the development permit process varies, based on the complexity of the application.

If you are currently operating a retail business at the address of your application, you may continue to do so provided you meet the application deadlines within this letter. During this time, you must demonstrate exemplary business practices that include at a minimum:

- No smoking, dabbing, vaping, vapourizing or use of e-cigarettes on site.
- No display or sale of edibles other than oils, tinctures or capsules.
- No minors on site, or advertising to minors.
- No neighbourhood disturbance.

The City will be increasing inspections of medical marijuana-related businesses and any found in violation of the above practices will be subject to enforcement action and possible closure.

If you have any questions, or to book an appointment for application intake, please contact Phoebe Stewart at 604.673.8445, phoebe.stewart@vancouver.ca, or John Freeman at 604.873.6076, john.freeman@vancouver.ca

Yours truly,

Att. (2)

This is a letter written in response to the 'Development Application No. DE 41941 at 3874 E. Broadway, Vancouver. Residents of the neighbourhood have raised their families here for decades, and in some cases, generations. Speaking with residents of the area, we have compiled a list of reasons why we believe that the BC Pain Society should not continue to expand its clientele by changing its use from a 'Retail Store to Medical Marijuana - Related Use.

1. The location of BC Pain Society poses multiple issues with the neighbourhood's demographic. Within a five-block radius of this business, residents and families are the leading demographic. This is yet to include Vancouver Technical Secondary School, Broadway Church, Wind & Tide Preschool, the Arts Institute, Chief Mowanna Annex, Koslo Park, which includes a children playground, and the Frog Hollow Neighbourhood House. The latter is a non-profit organization dedicated to assuring the community's youth grows up in safe environments. With the sheer proximity of the Pain Society, we are telling the youth that recreational drug use is acceptable, despite the fact that it is still illegal.
2. Despite laws to ensure that marijuana use is private and controlled, users will continue to smoke marijuana whether or not it is prescription or public areas. Koslo Park appears to be a preferred location.
3. In a neighbourhood with a variety of ages, we believe it sends the wrong message to our youth, potentially providing an opportunity to be exposed to a proven gateway drug at a young age. While people may argue that the drug is safe for recreational use, there is also contrary evidence of marijuana being a gateway drug that may lead to addiction and other more harmful substances.
4. As with all drugs, prescription or not, there is an associated risk along with its benefits, and many of these risks are still unknown.
5. As mentioned above, where marijuana is smoked is not controlled. It is unjust to non-smokers. Inhaling marijuana or cigarette smoke is especially harmful to children and adolescents. If we want a healthy future, we need to ensure that the air we breathe is as clean as possible.
6. The corner of East Broadway and Renfrew is already highly affected by rush hour traffic. The business further contributes to the traffic south-bound and east-bound with cars accessing the parking lot.

Attached is a list of residents in our residential neighbourhood and community that support the reasons above, and disagree with the BC Pain Society's development application.

Re: DE 419441 – 2894 E. Broadway, Vancouver, B.C.

Attached please find a petition signed by the local residents who has concern with the above development application.

We don't have the proven statistics on the crime rate around the neighborhood since BC Pain Society started their operation. We have noticed there are increase number of incidents of shattered glasses along the curb, body of cars being vandalized (scratched from back to front of the body) or break in for cars parked on Renfrew St.

As well, there is another marijuana store located in the strip mall across from the BC Pain Society also in operation. We do not need two of the same kind in our neighborhood.

We hope that the City of Vancouver would let our neighborhood retains its harmony, take into consideration of our voices when access this application. Do not hesitate to contact me at s.22(1) if you need further information. It is greatly appreciated if you could email me once a decision is made to the application.

While people may argue that the drug is safe for recreational use, there is also contrary evidence of marijuana being a gateway drug that may lead to addiction, and other more harmful substances.
4. As with all drugs, prescription or not, there is an associated risk along with its benefits, and many of these risks are still unknown.
5. As mentioned above, where marijuana is smoked is not controlled. It is unjust to non-smokers. Inhaling marijuana or cigarette smoke is especially harm to children and adolescents. If we want a healthy future, we need to ensure that the air we breathe is as clean as possible.
6. The corner of East Broadway and Renfrew is already highly affected by rush hour traffic. This business further contributes to the traffic South-bound and East-bound with cars accessing the parking lot.

Below please find a list of residents in our residential neighbourhood and community that support the reasons above, and disagree with the BC Pain Society's development application:

[illegible]

2894 E. Broadway, Vancouver, B.C.

1. The location of the BC Pain Society poses multiple issues with the neighbourhood's demographic. Within a five-block radius of this business, residents and families are the leading demographic. This is yet to include Vancouver Technical Secondary School, Broadway Church, Wind & Tide Preschool, the Arts Institute, Chief Maquinna Annex, Kaslo Park, which includes a children's playground, and the Frog Hollow Neighbourhood House. The latter is a non-profit organization dedicated to assuring the community's youth grows up in safe environments. With the sheer proximity of the BC Pain Society, we are telling our youth that recreational drug use is acceptable, despite the fact that it is still illegal.

3. In a neighbourhood with a wide variety of ages, we believe it sends the wrong message to our youth, and potentially providing an opportunity to be exposed to a proven gateway drug at a young age. While people may argue that the drug is safe for recreational use, there is also contrary evidence of marijuana being a gateway drug that may lead to addiction, and other more harmful substances.

5. As mentioned above, where marijuana is smoked is not controlled. It is unjust to non-smokers. Inhaling marijuana or cigarette smoke is especially harm to children and adolescents. If we want a healthy future, we need to ensure that the air we breathe is as clean as possible.

Below please find a list of residents in our residential neighbourhood and community that support the reasons above, and disagree with the BC Pain Society's development application:

[illegible]

APPLICATION: Development Application 4194
2894 E. Broadway, Vancouver, B.C.

This is a letter written in response to the "Development Application No. DE 419441" at 2894 East Broadway, Vancouver. Residents of the neighbourhood have raised their families here for decades, and in some cases, generations. Speaking with residents of the area, we have compiled a list of reasons why we believe that the BC Pain Society should not continue to expand its clientele by changing its use from a "Retail Store to Medical Marijuana-Related Use".

1. The location of the BC Pain Society poses multiple issues with the neighbourhood's demographic. Within a five-block radius of this business, residents and families are the leading demographic. This is yet to include Vancouver Technical Secondary School, Broadway Church, Wind & Tide Preschool, the Arts Institute, Chief Maquinna Annex, Kaslo Park, which includes a children's playground, and the Frog Hollow Neighbourhood House. The latter is a non-profit organization dedicated to assuring the community's youth grows up in safe environments. With the sheer proximity of the BC Pain Society, we are telling our youth that recreational drug use is acceptable, despite the fact that it is still illegal.
2. Despite laws to ensure that marijuana use is private and controlled, users will continue to smoke marijuana whether or not it is prescription in public areas. Kaslo Park appears to be a preferred location.
3. In a neighbourhood with a wide variety of ages, we believe it sends the wrong message to our youth, and potentially providing an opportunity to be exposed to a proven gateway drug at a young age. While people may argue that the drug is safe for recreational use, there is also contrary evidence of marijuana being a gateway drug that may lead to addiction, and other more harmful substances.

The BCPS is a wonderfully nice establishment
the employees are respectful and extremely nice people.
Without the BCPS members would have to buy
this product on the street where it's possible
to get laced marijuana, here, you know
it's safe.
Let them stay -

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. A vertical line runs down the left side, creating a margin. The paper appears to be from a notebook or a set of loose-leaf papers. There are some dark, rectangular shapes at the top edge, possibly representing staples or clips used to hold the paper in place. The overall appearance is that of a clean, unused page ready for writing.
