Dear s.22(1)

RE: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of July 9, 2018 under the *Freedom of Information and Protection of Privacy Act* for:

Records related to the selection of Clark Drive and East 1st Ave site for a proposed mixed-use development. Request is for all options that were considered for sites, including records for all of the sites that came under consideration (including provincially-owned and City-owned land), appraisals, photos, presentations, studies and other pertinent documents.

We have completed the search for responsive records for this request and no responsive records have been located.

Real Estate and Facilities Management confirm that the consideration of all sites was with Vancouver Coastal Health and that it was Vancouver Coastal Health who chose the site.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2018-380); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,
