Dear s.22(1)

RE: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of September 6, 2018 under the *Freedom of Information and Protection of Privacy Act* for:

A complete list of all Single Room Occupancies (SRO's) in the City of Vancouver, including which of those SRO's are privately owned and the owner's contact information (full names and telephone numbers).

Date Range: September 1, 2018 to September 6, 2018.

Please note this information is publicly available and an Access to Information (FOI) request is not necessary or required. FIPPA does not replace regular procedures for access to information available to the public. The information you are requesting is publicly available at the following sources and links:

- All SRA (Single Room Accommodation) designated premises are named by address in the SRA by-law - <https://bylaws.vancouver.ca/8733c.PDF>
- You can then go to the Open Data website to obtain business license information at the following link: <https://data.vancouver.ca/datacatalogue/businessLicence.htm>
- This link <https://vancouver.ca/files/cov/2015-survey-single-room-accommodation-non-market-housing-downtown-core.pdf> is our low income housing survey which has an index of all the private SRO and non-market buildings.
- The owner's contact information can be requested from each business.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2018-476); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

Barbara J. Van Fraassen, BA
Director, Access to Information & Privacy
