Subject: FW: here is the plebescite question for granville

Greetings Council-

Today at the staff/council briefing there was a question as to why we didn't ask the question of the public anymore about bridge upgrades. Here's the plebescite question on Granville Bridge:

A. Street and Bridge Infrastructure

To provide for major maintenance, reconstruction and enhancement of the arterial and neighbourhood transportation networks, sidewalks, greenways and cycle routes and to undertake major maintenance of bridges and other structures, including repairs and structural work on Granville Bridge.

Best
