Subject: DBL leadership transition

Greetings Mayor & Council,

I am writing in follow-up to Sadhu's recent announcement regarding Kaye Krishna's departure from the City. As we undertake the process to recruit Kaye's successor, we will operate with an interim leadership approach, whereby **Mark Greenfield, Kathryn Holm, and I** will share the responsibilities that Kaye has fulfilled in her role as General Manager.

During this period, Mark will maintain his current responsibilities as Director of Operations and will also support Development Services and the overall permitting process.

Kathryn will maintain her current responsibilities as Director of Licensing and Community Standards and will also support the Buildings branch, which includes permits, policy, and inspections and enforcement.

In addition, I will be stepping in to provide executive oversight and decision-making on policy matters and to otherwise support Mark, Kathryn and the rest of the DBL leadership team.

If you have any questions or issues related to Development, Building or Licensing, please feel free to reach out to me and I will ensure that you are connected to the appropriate contact on the team.

Thank you for your support during this period of transition.

Best,
Paul
