Greetings Mayor and Council

Based on our discussion a few weeks ago at the Correspondence Staff/Council briefing, where we heard ideas for how to improve our proactive engagement on upcoming events and consultations in the city, we are launching a new social media outreach effort. Information below.

The City of Vancouver acknowledges that it is situated on the unceded traditional territories of the Musqueam, Squamish, and Tsleil-Waututh peoples.

Hi everyone,

We are developing a new one stop portal for engagement/consultation activities so people can sign up and see what else is going on at the City, however in the meantime we are launching a new initiative to do a #teaser to the city activities on Facebook each week. Let the engagement begin!

Here is a link to the first post;

The list of events will be published each Tuesday before 11 am. Please email me the details of your event/consultation/survey/deadline for next week if you want it to be included.

We hope that the weekly summary will help our social media audience better navigate everything that they can be a part of.

Let me know if you have questions,
