- Public workshop
 - Tuesday, March 5, 2019. 7 – 9pm at Vancouver Aboriginal Friendship Centre (1607 East Hastings Street)
 - Tuesday, April 2, 2019. Time and location TBA
- Submit an Idea!
 - An online intake of ideas, reading materials, reports, videos, website and articles that the public is sharing to the panel and the broader public to be considered. [For more detail on submissions, visit here.](#) Submissions will be open from January 19 – April 4.

[Jericho Lands Planning Program](#) – Planning for the future of the Jericho Lands launches with public open houses on March 2 and 7, co-hosted by the City and the site's owners MST Nations and Canada Lands Company. A special welcoming ceremony and celebration kick off the planning program on March 2. Both open houses are a chance to learn more about the process, share ideas and find out how to get involved. The planning program will create guidelines for future redevelopment of the site and establish policy on: reconciliation, affordable housing, land use, density, height, public benefits, transportation, built form, character, sustainability, infrastructure, and phases of development.

- Open House
 - Saturday March 2, 2019 from noon – 4pm. Jericho Hill (4180 West 4th Ave), Pool and Gym. (Welcome speeches and ceremony from noon – 1pm and open house from 1-4pm)
 - Thursday March 7, 2019 from 4:30pm – 7:30pm

[Life Between Umbrellas](#) - Jointly produced between the City of Vancouver's Viva Vancouver program and the Vancouver Public Space Network, Life Between Umbrellas is a design ideas competition that is looking for new and creative ways to improve public space and public life during Vancouver's wet weather months. The launch event will provide an overview of the competition, featuring speakers and activities that will help to showcase some of the design challenges and opportunities that come with life in a rainy city.

- Launch Event
 - Wednesday, February 27 at Creekside Community Recreation Centre (1 Athletes Way), Upstairs Meeting Room
- Additional events, workshops, and other opportunities for engagement from March to May (to be confirmed)

[Smart Cities](#) – The City of Vancouver is competing for \$50 million in the Government of Canada's Smart Cities Challenge. The competition recognizes Canadian cities that use data and connected technology to address local issues. There have been a series of events featuring an [electric autonomous shuttle](#) that represents the future of transportation in Surrey and Vancouver. ELA is being demonstrated in both cities as part of [#SmarterTogether](#), the City of Surrey and City of Vancouver's joint application in the Smart Cities Challenge.

- Event ride
 - Saturday, February 23 to Sunday, March 3 from 10 – 4pm. Pick-up locations are at Olympic Village Skytrain station parking lot and at the northwest corner of Manitoba and West 1st Avenue. Online bookings are now full but spots are still available when you show up in person.
 - Weekday: 11 am – 5:30pm
 - Weekend: 10am – 4:30pm

[Rain City Strategy](#) - The City of Vancouver is partnering with the [Museum of Vancouver](#) and the [Fraser Basin Council Salmon Safe BC program](#) to learn, interact and talk about rainwater and salmon in the city. At the Wild Things – the power of nature in our lives exhibit at the Museum of Vancouver there is a one day only interactive pop-up station where people can learn more about how to manage rain in a way that provides salmon habitat, improves water quality and celebrates water within our urban centres.

· [Interactive pop-up station](#)

- Saturday, March 16 from 11am – 3pm at Museum of Vancouver (1100 Chestnut Street). Free with museum admission.
