Subject: Oppenheimer Park Clean-up

Good Evening Mayor and Council

Today ENG, VFRS and VPD spent considerable efforts to clean-up Oppenheimer Park and took out about 10 truckloads of stuff.

VF&RS has been directing ENG to remove all storage tents and abandoned tents (fire risks). Some of the tents they took away today were drenched in water and no one had been seen in them for 2-3 days.

They aren't asking anyone to pack up and leave the park but are focusing on those two issues.

Just wanted to let you know in case you hear rumors that we were active in the park today.

Best
