Subject: Upcoming IB - Homeless Count

Greetings Mayor and Council,

The 2019 Homeless Count is being conducted by City staff, volunteers and social service agencies on the evening of March 12th and during the day on March 13th to collect critical information on the numbers and characteristics of people experiencing homelessness in Vancouver. Last year's count found that more than 2,100 people in Vancouver are without a home. This year's findings will be presented to Council by Staff in May. More information on last year's results is available [here](#).

Best,
Sadhu
