**Subject:** Motion B.4 – Making the Case for Housing All People Counted as Homeless in

Greetings Mayor and Council

I wanted to bring to your attention that during the staff review of this motion, staff requested that the June date be pushed back to September. That change has not been made in the motion and at this point, I cannot commit to achieving this timeline. If this is passed with the June date, the results will be high level. Having an external consultant do this work is not a viable way to speed up the work due to the procurement timelines required to bring in external consultants.

Best

Sadhu
