**Subject:** need a slight amendment

Hi

We need to add the \$ amounts to the amendment. Can we add this as the final language?

That Council instruct the Director of Finance to shift 2% of the tax levy totaling \$15.8 million (based on 2019 total general purpose tax levy approved by Council in December 2018) from non-residential property classes (2, 4, 5 & 6) to residential property classes (1, 8 & 9) for the purpose of calculating the general purpose tax rates at 1% in 2019 to achieve 55.9% residential to 44.1% non-residential, and further 0.5% in 2020 and .5% in 2021.

Thanks

Sadhu
