Subject: Power outage - City Hall

Good morning Mayor and Council,

For any of you who are not at City Hall presently, we are experiencing a power outage. Facilities and VFRS are investigating a fault in the main electrical vault that has been identified as the cause of the outage.

At this time, we do not have an estimated time for restoration of power. We will let you know as soon as we have that information.

If you have any immediate questions or concerns, please let me know.

Paul
