**Subject:** Power restored at City Hall

---

Good evening Mayor and Council,

I am pleased to advise that City Hall is back operating on regular power. We are planning for business as usual tomorrow.

REFM has implemented a temporary replacement of the equipment that failed and caused the outage. The permanent fix was delayed pending availability of the requisite parts. We will also be conducting a detailed review of the incident to fully understand the failure and assess our response.

If you have any further questions or concerns, please let me know.

Paul
