**Subject:** RE: Question re: admin report on Boundary Rd Maintenance Agreement

**Attachments:** Boundary Adanac-Schedule A Comparison - 2014 vs 2019.pdf

Greetings Mayor and Council,

In answer to a question from a Councillor, regarding Administrative Report "Boundary Road Maintenance Agreement", to be presented at Regular Council, July 9<sup>th</sup>, staff would like to further clarify that:

As part of the regular renewal process for the Boundary Road Maintenance Agreement, a long overdue update to "Schedule A", where the division of maintenance responsibilities through the Adanac St./Boundary Rd. intersection is defined, was identified. The previous version of Schedule A included an outdated graphic that did not reflect modifications to the median islands (made in the late 1990s) to facilitate bikes travelling east-west through the intersection.

The new agreement graphic has now been updated to correctly reflect the current geometry of the intersection. No change to the rights or obligations of either municipality result from this minor housekeeping change.

A copy of both versions of Schedule A are attached to this email for reference. Please let me know if you require any additional information.

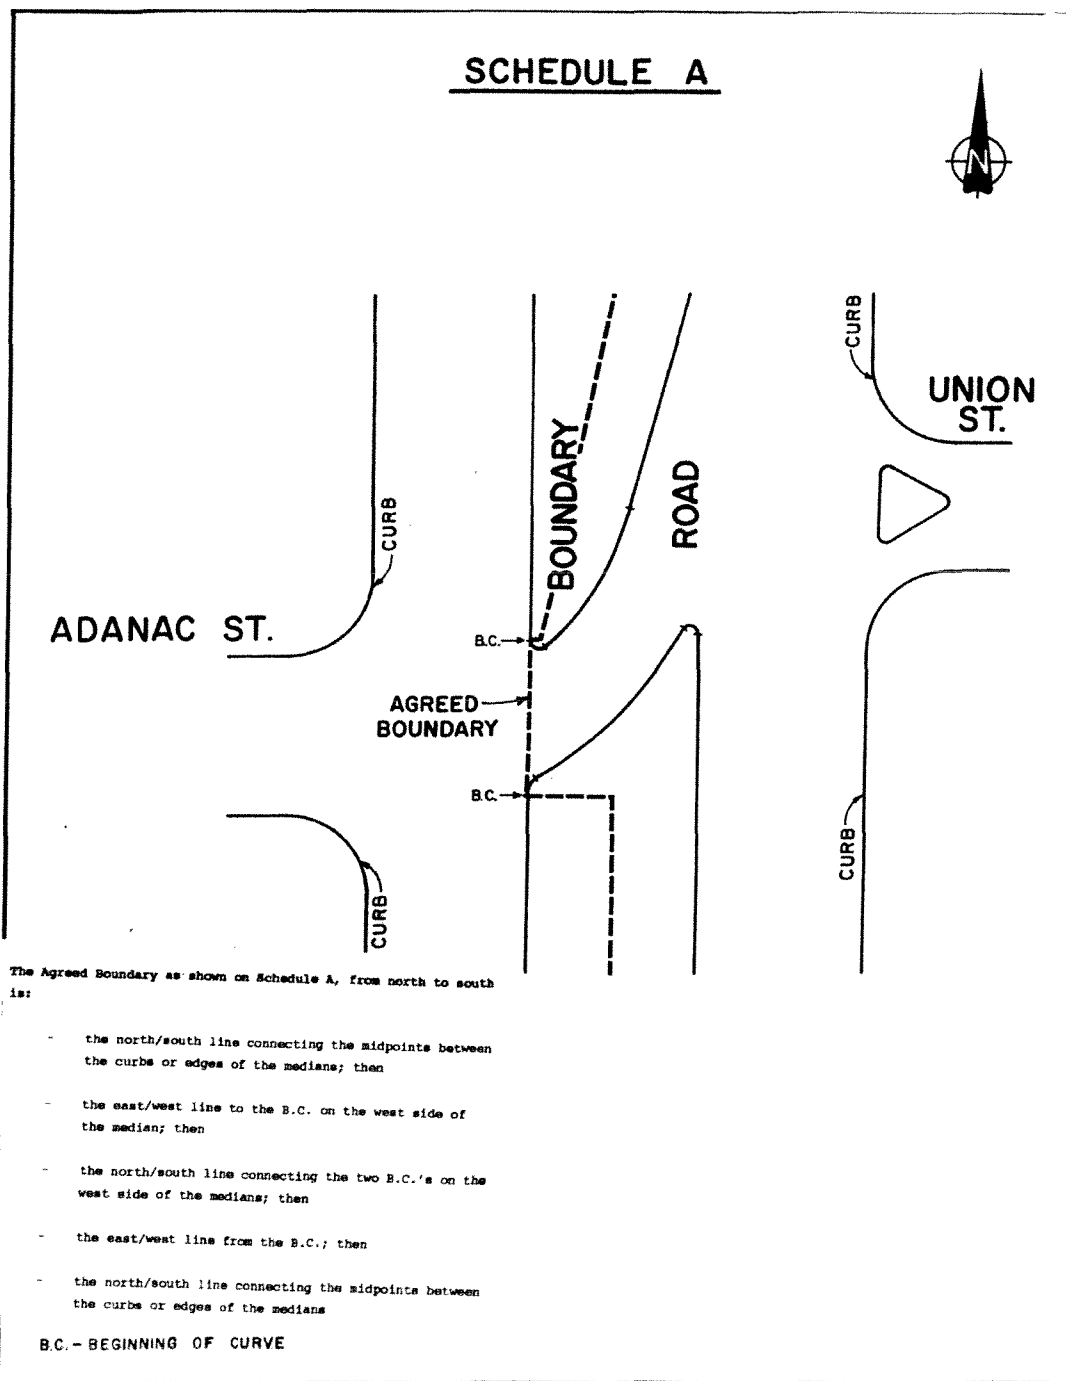

Best,  
Sadhu

# SCHEDULE A

The Agreed Boundary as shown on Schedule A, from north to south is:

- The north/south line connecting the midpoints between the curbs or edges of the median; then
- The east/west line to the B.C. on the west side of the median; then
- The north/south line connecting the two B.C.'s on the west side of the medians; then
- The east/west line from the B.C.; then
- the north/south line connecting the midpoints between the curbs or edges of the medians.

B.C. - BEGINNING OF CURVE
