Subject: Input on Executive Profile - GM, Engineering

Greetings Mayor and Council,

As you are aware, the City of Vancouver is undertaking a search for a new General Manager, Engineering/City Engineer. We have engaged Pinton Forrest Madden (PFM) Executive Search to support the recruitment process which will take place over the next several months.

Please let me know if you have specific thoughts on the following that I can share with PFM:

- Significant challenges and opportunities the new General Manager, Engineering will need to address
- Key criteria/attributes for the new General Manager, Engineering to be successful in the role.

Any feedback on these points will contribute to the development of an Executive Profile which will set the benchmark for the candidate and will help us ensure the voice of diverse stakeholders is well represented in candidate discussions.

Thanks in advance!

Best,
Sadhu
