Subject: Upcoming IB - 12th Ave to reopen at noon today

Greetings Mayor and Council,

This afternoon, one of the city's key east-west commuter routes will reopen to traffic following the early completion of a water main replacement. The City also took the opportunity to make a number of additional improvements for residents along this four-block stretch of 12th Avenue, including:

- accessibility and safety upgrades to the sidewalks
- a new curb bulge at the St. George intersection to reduce crossing distance for local school children
- a fully repaved road surface between Kingsway and Fraser Street

The Information Bulletin will be distributed shortly.

Best,
Paul
