**Subject:** City hall parking - advisory committees

---

Good afternoon Mayor and Council,

With the introduction of pay parking at City Hall, I understand that a number of you have been apprised of concerns regarding the implications for members of our advisory committees. I can confirm that a communication has been issued to all advisory committee members confirming their ability to park without charge while attending to committee business and setting out the process by which they can park for free.

If you continue to hear from committee members regarding this issue, please let me know.

Best,  
Paul
