**Subject:** Protest - City Hall

---

Hello Mayor and Council,

I am writing to advise regarding a small protest that is underway on City Hall grounds at the corner of 12<sup>th</sup> /Cambie. There are three individuals present who have set up a large tent and signage drawing attention to the circumstances in Oppenheimer Park. Media representatives have attended also.

City Protective Services staff are in contact with the protestors and we understand they are planning to remain until the conclusion of Council's meeting tomorrow. VPD is monitoring this situation as well.

As per the existing protocol for public access to Council meetings, Protective Services will be taking steps to manage any risk of disruption to tomorrow's proceedings.

Please let me know if you have any questions or concerns.

Best,  
Paul
