Subject: School Food Program motion update

Dear Mayor and Council,

I've received a number of requests for updates on the VSB School Food Program.

Staff are currently working on a brief memo update for you. In short, staff have been in discussions with VSB and any changes to the VSB School Food program arising from their recent review will not be implemented in the 2019/2020 school year so the 2020 budget will include a funding request for Council to provide funds for the existing program for the January – June 2020 school term.

A more detailed but brief memo will follow shortly.

Best,
Sadhu
