**Subject:** Upcoming IB - Adopt a Catch Basin

---

Dear Mayor and Council,

I am writing to let you know that we will be issuing an Information Bulletin to raise awareness of the City's "Adopt a Catch Basin" program. For the third year, the City of Vancouver is once again calling on residents to adopt a catch basin in their neighbourhoods. The Adopt a Catch Basin program supports residents in helping prevent flooding by keeping catch basins free and clear of leaves debris and litter. The program has seen more than 2,400 catch basins adopted across the city since 2017.

Best,  
Sadhu
