**Subject:** Councilor Parking on Friday

---

Greetings Mayor and Council,

To support the crowd management processes for Friday's Climate Strike event, I recommend that you park on the upper deck for the duration of the day. The large crowd will be moving through the lower parking lot from the north lawn to Cambie St and having it free of vehicles will support an ease of flow and protect your vehicles as well.

This is not mandatory, and I'm not asking that this be enforced, but it would support our operational plan.

We have arranged with EasyPark to exempt your vehicles from any tickets or enforcement for the duration of the day if you choose to relocate to the upper deck.

Best,  
Sadhu
