Subject: FW: ANOTHER flats question

Hi Mayor and Council:

Question from council:

How quickly does St. Paul's need to know if Council is keeping open the option of using Malkin as an arterial?

Staff answer:

They need to know now. The competitive design process is already underway and is reliant on knowing the roadway location. This is a multi-billion dollar P3 and any uncertainty will create havoc for them in this procurement. We cannot delay giving the hospital clarity on this issue.

Best
