Subject: Upcoming IB - Prior/Venables Street

Greetings Mayor and Council,

An information bulletin will be distributed today to media which summarizes and explains Council's decision last night on the Flats Arterial. Staff will be pursuing measures to improve safety along the street via traffic calming and speed limits. The street will thus be downgraded from an arterial route to a collector street. The media release also highlights Council's support for a new underpass to improve safety at the rail crossing.

Best,
Sadhu
