**Subject:** Extinction Rebellion protest - Monday, Oct 7

Good afternoon Mayor and Council,

As you may be aware, the above-referenced group is planning a protest on Monday that we understand is intended to disrupt traffic on the Burrard Bridge. Our current information is that the protest is expected to involve several hundred people and could result in traffic disruptions from early morning throughout the rest of the day.

The protest relates to the climate emergency and is being held in coordination with similar events in other cities globally.

VPD and City staff are monitoring this issue closely and we will keep you apprised of any significant developments.

Best,  
Paul
