Subject: Protest at City Hall - Tues, Oct 8

Good afternoon Mayor and Council,

We have been advised of a planned protest at City Hall tomorrow (Oct 8th) at 1230h involving an estimated 100 individuals. This protest is associated with a global campaign for animal rights. In other cities, groups associated with this campaign have engaged in civil disobedience, including disrupting access to government buildings.

City Protective Services is monitoring this event and liaising with VPD. We will implement measures to address any identified risk to staff or City property and VPD will have resources assigned to maintain public safety.

If you have any immediate questions or concerns, please let me know. Otherwise, we will keep you apprised of any developments.

Best,
Paul
