---

Greetings Mayor and Council,

On Monday, the City of Vancouver will begin the next phase of seismic and structural upgrades on south sections of Granville Bridge. There will be some delays for bridge users due to closures in the construction areas, but the bridge will remain fully open through the duration of the project which is anticipated to complete by late 2020. This work is part of the 2019-2022 Capital Plan. An Information Bulletin will be distributed.

Best,  
Sadhu
