Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of February 15, 2019 for:

Records of calls made to 311 regarding Property Use cases (only showing complaints regarding Home Based and Commercial businesses) from July 1, 2018 to February 15, 2019 on an excel sheet.

All responsive records are attached. Some information in the records* has been severed, (blacked out), under s.22(1) of the Act. You can read or download this section here: http://www.bclaws.ca/EPLibraries/bclaws_new/document/ID/freeside/96165_00

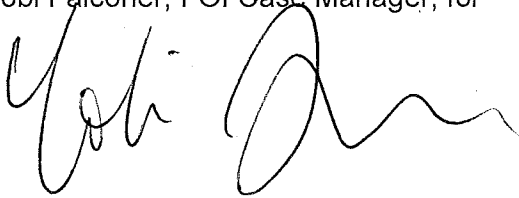

*Please note, the City has provided you with a pdf of an excel spreadsheet so that we could redact personal information (rather than delete information in the excel format). The pdf'd spreadsheet shows all complaints regarding both home based and commercial businesses which you can sort.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2019-108); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

Cobi Falconer, FOI Case Manager, for
