Subject: Upcoming NR - Youth Civics 101

Dear Mayor and Council,

We will be issuing a news release and video detailing the Youth Civics 101 program, which brought together a group of refugees and immigrants between the ages of 15 to 24 to discuss barriers to civic engagement. This initiative was a joint effort between the Vancouver Immigration Partnership and the City of Vancouver. The group tabled six recommendations. Over the coming months the City will look to find partners to take these recommendations and develop resources and tools to facilitate youth engagement.

Best,
Sadhu
