**Subject:** Upcoming IB: New Aquatic Centre ferry dock coming to Sunset Beach

---

Greetings Mayor and Council,

Construction begins today on a new and improved ferry dock at Sunset Beach. The Aquatic Centre Ferry Dock has reached the end of its service life and will be upgraded to include a number of new features including better lighting, a new shelter and increased moorage. The new design will also be accessible to people with mobility aids and wheelchairs.

Construction will complete later on this fall and False Creek Ferry traffic is being accommodated at the neighbouring Hornby St. dock during this time.

Best,  
Paul
