Subject: Upcoming Media Advisory - Rental Incentive Review Recommendations

Dear Mayor and Council,

At the Council meeting on Tuesday, November 26, staff will present the Rental Incentives Review Phase II Report Back. Given the complex nature of the information in this report, on both the existing rental incentive programs and report recommendations, staff would like to hold a technical briefing this week on Thursday, November 21.

Media would be invited to hear a summary of the rental incentives review recommendations that will be presented to you next week. This is intended to educate media about the report contents in advance of the Council date so that they have the context to write more informed stories in the days leading up to the point when your decision is made.

This media briefing would be for background information only, and no recording devices would be allowed. Staff will continue to direct any requests for comment to Mayor and Council.

Best,
Sadhu
