Subject: Upcoming NR - Empty Homes Tax Annual Report

Dear Mayor and Council,

I am writing to advise you that we will be issuing a news release today to direct the public to the publication of the Empty Homes Tax's Annual Report for the second year of the program. In addition to showing some new key performance indicators, the report highlights the local affordable housing programs that have been funded through the \$39.7 million in net revenue created by the tax on vacant homes in Vancouver (as per the memo you received previously).

The report is also included as an appendix in the EHT Council Report for next Tuesday's meeting.

Best,
Sadhu
