Dear Mayor and Council,

This is to advise you that the City will be hosting an education session for the public on the Draft 2020 Budget on Facebook Live on the morning of Thursday, November 28. This will be an online interactive session, with a short presentation of the highlights of the draft budget by Patrice Impey and Colin Knight, followed by Q&A from the public. The session will also be recorded and posted for later viewing. The public will only participate online and we are not soliciting opinions at this session, just providing information and answering questions of clarification. If you would like to watch the session, the details are provided below. Councillors are asked to save their comments for the Council meeting.

We would also like to ask you to help promote this session, and have provided the attached Twitter post for your use.
