Subject: Invitation - Women4Climate - Dec 12

Dear Mayor and Council,

You are invited to join the final event of the 2019 [Women4Climate Mentorship Program](#).

In our inaugural year we were able to attract over 100 women who were interested in becoming a W4C mentor or mentee. During the 10-month mentorship, 9 emerging leaders were paired with 9 women who are leading the way to Vancouver's renewable future. These women are working on local climate action initiatives and many hit critical milestones during this period. The W4C program drew attention on social media and several women and their projects were featured in The Vancouver Sun, Financial Post, and Breakfast TV, and during sessions at the Women Deliver and EcoCity conferences!

On Dec 12, drop in to the Town Hall between 4-6pm to meet the 2019 participants, learn more about the program, and help us launch recruitment for the 2020 program. A detailed agenda can be found in [the Eventbrite link](#).

You are welcome to pass this invitation along to your networks and encourage anyone you think would benefit from this mentorship program to attend!

Best,
Sadhu
