Subject: Are you looking for the city background on preparing for winter weather?

Dear Mayor and Council,

Please find below the link to a Councillor Briefing Note prepared by Civic Engagement and Communications (CEC) to assist you in responding to emails, letters, citizen comments, etc. over the next several months regarding the City's preparations for, and efforts to deal with, winter weather.

Since May, the CEC team has produced more than 90 of these briefing notes for Councillors on a wide variety of topics including for Councillor speaking engagements. You can find them in this folder:

Many of you have expressed your appreciation of this support directly to Rena, but if you have additional feedback on this support please feel free to let Rena or I know.

Best,
