Dear s.22(1)

RE: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of February 16, 2019 under the *Freedom of Information and Protection of Privacy Act* for:

In mid-August 2018, orange tree protection fencing was installed around some street trees on the north side of the 2800 block Parker Street. Request is for the following from June 1, 2018 to September 30, 2018:

- 1. Who built this fencing, why it was installed and who approved the installation; and**
- 2. All correspondence (email and otherwise) that led to the installation of the fencing, including correspondence between the City of Vancouver and Notre Dame Regional Secondary School and between City of Vancouver departments.**

We have completed the search for responsive records for this request and no responsive records have been located. The Manager of Landscape Review, Planning, Urban Design and Sustainability has confirmed the following:

- For point one of your request, the City does not know who built this fencing and has not yet approved any Tree Protection Barriers to date.
- For point two of your request, there is no correspondence regarding the installation of the fencing for the reasons listed above.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2019-112); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.
