Subject: CD Howe Gives CoV at A+

Greetings Mayor and Council

I am writing to advise you that the CD Howe Institute has released their annual municipal fiscal accountability report card on December 10, and that the City's ranking has improved to an A+. This makes Vancouver the top-rated municipality for 2018. We will be issuing an information bulletin to share this news, along with the City's receipt – for the second year in a row – of the Distinguished Budget Presentation Award from the Government Finance Officers Association (GFOA). Please join me in congratulating Patrice and her team for their approach to continuous improvement.

Best

Sadhu
