Subject: GMF Council is seeking nominations | Le Conseil du FMV sollicite des candidatures

FCM is seeking nominations from elected municipal officials in BC for the Green Municipal Fund Council.

Applications are due Jan. 6th. Further details are provided in the link below:

The GMF received nearly \$1B in the 2019 federal budget for affordable housing, energy retrofits, and the Low Carbon Cities Canada (LC3) initiative. Participating on the GMF Council would be a great opportunity to shape how those funds are dispersed to be most impactful to cities.
