s.22(1)

Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of February 28, 2019 for:

1. **Oakridge well pumping records for the years 2017 and 2018.**
2. **Geotechnical investigations (geotechnical reports and test hole logs) and excavation shoring drawings for the following locations:**
 - **600-700 block of W 57th Avenue**
 - **600-700 block of W 54th Avenue**
 - **600-700 block of W 53rd Avenue**
 - **6700-6900 block of Tisdall Street**
 - **6700-7400 block of Heather Street**
 - **600-700 block of W 49th Avenue**
 - **6000-7400 block of Cambie Street**

All responsive records* are attached.

*Our Engineering Services Utilities Maintenance Branch confirms they do not have geotechnical investigations information for 600 - 700 block of West 53rd Avenue, 6700 - 6900 block of Tisdall Street, 6700 - 7400 block of Heather Street and 600 - 700 block of West 49th Avenue. However, they suggest it may be possible to get the Drill Hole Logs directly from the Companies doing the work.

Please note: the City was just informed by the OIPC that mediation with a third party, who objected to the release of the records, is now complete. The OIPC agreed with the City that there are no grounds for withholding these records.

All responsive records are located on an FTP site, (FTP instructions are included in the accompanying email).

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2019-142); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

Cobi Falconer, FOI Case Manager, for

Oakridge - Monitoring Well Locations.pdf

Hi Godwin,

Please find attached groundwater level readings around Oakridge Mall. MP02 is the well that is closest to the Canada Line station.

From April 20 to June 19, 2018, Oakridge Mall was not pumping any groundwater due to a pipe burst within their system. The data shows a rise in groundwater levels during this time.

Would you be able to check your records to see if the Oakridge Canada Line station experienced any increase in infiltration during this period?

Feel free to contact me if you have any questions.

Regards,

Alina Cheng, P.Eng.

Subject: FW: Oakridge manual measurements

Hi folks,

Please find attached the latest piezometer readings at the Oakridge site.

Thanks,
Helen

Subject: Oakridge manual measurements

Hi All

Please see the attached most recent manual monitoring measurements. Also attached are our most recent graphs of electronic piezometer readings since we reset our piezometers, as well as cumulative graphs of piezometer readings from December 2016 to July 2018. Please note for the cumulative graphs, I reset all of the piezometers sometime this May and re measured the string lengths holding the piezometers. The excel file is also attached for your reference.

Thanks,

Daniel Kokan, *B.A.Sc., EIT*
