**Name, title, department, remuneration and expenses for all staff earning more than \$75,000 for the 2017-2018 fiscal year or the 2018 calendar year (on an excel, access or csv format), including any remuneration provided to corporate directors (if your agency has a board) and/or elected politicians (i.e. mayors, councillors, MLAs, school trustees), even if those individuals earned less than \$75,000.**

**In particular, each staff member's remuneration on a separate row with the different fields (name, position, salary, expenses) in adjoining columns. If information on each staff member's title is not held in the same place as their salary - please provide two separate sets of data, one with salaries, the other with titles and departments, with some unique identifier (such as an employee number) that we can use to cross-reference the two sets of data.**
