Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of April 19, 2019 for:

Records of sidewalk complaints from 311 and VanConnect including the number of complaints per month, type of complaint, location, and whether the complaint led to any repair(s), from January 1, 2015 to March 31, 2019.

Your requests 2019-264 and 2019-265 have been amalgamated into one request since VanConnect and 311 cases go into the same Lagan database.

All responsive records are attached.

Please note, the Team Manager for 311 confirms the Lagan database does not contain information on whether or not a complaint led to a repair. However, you can make an FOI request for specific complaints to receive that information from the Engineering Department if it is available.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2019-264); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

Cobi Falconer, FOI Case Manager, for
