Dear s.22(1)

RE: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of June 21, 2019 under the *Freedom of Information and Protection of Privacy Act* for:

With respect to the "Companies", On Side Restoration Services Ltd. (BC), On Side Developments Ltd., and 628755 British Columbia Ltd., request is for the following:

- 1. Any permits or approvals that have been issued by the City of Vancouver to any of the said Companies; and**
- 2. Any records regarding permit non-compliance, failure to pass inspections, tickets, fines, or charges against any of the said Companies, or other information about violations, environmental risks, or problems associated with their operations.**

We have consulted with staff in the Development, Buildings and Licensing Department (DBL) in regards to your request.

In regards to point 1 - It has been determined that DBL can provide a limited* set of permits for the said companies routinely on a fee for service basis. Please contact Gurv Brar, Manager of By-law Compliance and Administration directly at gurv.brar@vancouver.ca or at 604-873-7535.

*Please be advised that since there is no date range specified, only records that are in the City's property search database, POSSE, can be provided.

In regards to point 2 – At the present time, a search cannot be conducted for the requested records without information gleaned from the permits. Please send in a new request once you receive records for part one of your request.

Yours truly,

Cobi Falconer, FOI Case Manager, for
