RE: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of October 24, 2019 under the *Freedom of Information and Protection of Privacy Act* for:

The City issued a Development Permit DP-2018-00282 and Building Permit BP-2018-06145 to the Owners/Landlords of 1101 Pacific Street requiring that the landlord relocate its tenants and their belongings.

Records requested include correspondence and any other records confirming that the City instructed the Owner or its agents that the building is required be vacant during renovations as a condition of its permits. Date range: January 1, 2016 to October 23, 2019.

We have completed the search for responsive records for this request and no responsive records have been located.

Please note, the department involved in this matter did not find a record indicating the City instructed the owner or its agents that the building was required to be vacant during renovations.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.
