Subject: Upcoming MA - Final Proposed Design for Granville Bridge Connector

Dear Mayor and Council,

Tomorrow morning, staff from the City's Transportation Design Branch will be presenting to media the final West Side Plus proposed design for the Granville Bridge Connector. A news release will be issued concurrently with the briefing with links to the proposed design. Similar to Phase 2, staff are sharing the design with the public prior to the start of public engagement. The final phase of public engagement for the Granville Bridge Connector kicks off on January 24 via open houses and a city-wide survey.

Best,
Sadhu
