Subject: Participatory budgeting media advisory

Dear Mayor and Council:

Today we will be issuing a media advisory for the launch of Vancouver's first participatory budget vote in the West End, hosted by the WeChoo\$e Community Impact team. Following the launch event in the community on Saturday, we will issue an information bulletin to help promote the vote. Those who live, work, and volunteer in Vancouver's West End can vote between January 25 and February 4 on how to spend \$100,000 in City funding on projects in their community. There are a total of 14 projects to vote on. You can help to get out the community vote by sharing posts from the community team's Twitter account: <https://twitter.com/WEChoosePB>
More information on the projects, voting process and locations is available on the [City's web site](#).

Best,
Paul
